

Common Core Aligned Comprehension Assessment

Each Kindness
CCSS Assessment

Name: _____

Score: / 9

Directions:

Use what you know about **Each Kindness** to answer each of the following questions.

1. What was the reason all the students were mean to Maya?

- A She was a new student, and she looked like she didn't have new things.
- B She had been mean to them first.
- C Maya never asked them to play.
- D The teacher said it was okay to not be friends.

2. What lesson did the students learn using the stones and the water?

- A When you drop them in water, stones make waves.
- B It is not nice to throw stones in the water.
- C Acts of kindness spread to others like ripples in the water.
- D A fun thing to do out by the water is to throw stones in the water.

3. What effect did the lesson about kindness have on Chloe?

- A She realized that Kendra was the only one being mean and told her to stop.
- B She realizes how she was mean to Maya, and she wanted to make it up to her.
- C It made her glad that Maya was gone.
- D It didn't change her at all. She still didn't like Maya.

4. When the author wrote that Maya "just jumped..." after the girls made fun of her dress, that was an example of _____.

- A rhyming
- B repetition
- C rhythm
- D alliteration
