Directions:
 1. Write a word from your reading that is new to you in the first column.
 2. Read the sentence before and after the sentence where the word appears. Write what you think the word means in the second column.
 3. Explain why you think your definition makes sense based on the context clues in the text.
 4. Write the dictionary definition.
 5. Place a check mark in the last column if the dictionary definition matches what you thought the word meant.

Word	What I Think the Word Means	Context Clues	Real Definition	✓
