2	People collect all kinds of things. They collect coins, stamps, baseball cards, shells, toys, bottles, pictures, and cats. Some people collect things that are very old – the older the better.				
4	The oldest things you can collect are rocks. Most of them are millions and millions of years old. Most kinds of rocks are easy to find. But some, like diamonds and emeralds, are rare. That's why they are valuable.				
6	Rocks cover the whole earth. No matter where you live, you live on rock.  There is rock under city streets and country farms.  And there is rock under every ocean, lake *...
