2	This is the story of Rosie Revere, who dreamed of becoming a great engineer. In Lila Greer's classroom at Blue River Creek, young Rosie sat shyly, not daring to speak.				
4	But when no one saw her, she peeked in the trash for treasures to add to her engineer's stash. And late, late at night, Rosie rolled up her sleeves and built in her hideaway under the eaves.				
5	Alone in her attic, the moon high above, Dear Rosie made gadgets and gizmos she loved.
