1	This book contains thirty stories about the children and Teachers at Wayside School. But before, we get to them, there is something you ought to know so that you don't get confused. Wayside School was accidentally built sideways. It was supposed to be only one story high, with thirty classrooms all in a row. Instead it is thirty stories high, with one classroom on each story. The builder said he was very sorry. The children at Wayside like having a sideways school. They have an extra-large playground. The children and teachers described in this book all
