## My Reading Goal for August

# Read a book...

you've read before	written by someone named Tommie	with talking animals	that teaches you how to be a nice person	with a tree on the cover
about a famous person	to your reflection in the mirror	on a Friday night	that is set in the future	about someone who is good at sports
that is short	about going to school	that is a mystery	that is also a movie or TV show	using a whisper voice
while wearing a hat	that takes place in your state	that is set in the past	that is long	with a flashlight

Color in each reading challenge after you finish reading the book.
