My Reading Goal for June

# Read a book...

about bugs	two times in a row	that's a graphic novel or comic book	written by someone named Kate	that teaches you to cook
about a place you'd like to visit	while sitting by the water	with black and white pictures	that's an historical fiction	that was written 50 years ago
about Summer vacation	that was written during the year you were born	to some flowers	that your dad liked when he was little	with a purple cover
while eating ice cream	about someone brave	about a funny animal	on a Tuesday	with tongue twisters

Color in each reading challenge after you finish reading the book.
