

Ask Questions

Who is the main character in your book? What is one question you would like to ask that character? Why?

Determine Importance

What did the author of your book teach you?

Identify the Author's Purpose

Write a letter to the author of your book that explains how you felt after reading their book.

Make Connections

Make a Venn Diagram comparing the ways you are similar to and different from the main character.

Make Inferences

How did your connections with the book help you to make inferences? Name a connection that helped you make an inference?

Make Predictions

Describe the main setting of your book. What are some events that might happen there?

Retell and Summarize

Name a problem that you read about today. Tell how the problem was solved.

Synthesize

How did your opinion of the main character change as you read the book?

Understand Text Structure

Give some examples of the words you might see if an author uses sequence in their writing.

Visualize

Choose a scene from the book. Draw a picture of the scene to illustrate your mental image. Write a caption to summarize the scene.
