My Reading Goal for October

Reading Challenge | ©BookPagez.com

Read a book...

that takes place at a party	that's spooky	that you borrowed from a friend	with an orange cover	that is a mystery
under the light of the moon	written by someone named Mo	about Halloween	with a one-word title	while laying in bed
with a pumpkin on the cover	with characters in the same grade as you	while wearing a costume	from the school library	that takes place in the past
before school	while eating a special treat	about a sport you like	using a scary voice	that makes you laugh out loud

Color in each reading challenge after you finish reading the book.
