My Reading Goal for September

Reading Challenge | ©BookPagez.com

Read a book...

using a robot voice	that takes place at school	about a character who likes to read	with a red cover	written by someone named Eric
on a Sunday afternoon	super slow	that is set in the city	that has adventure	while standing on one foot
about a problem in the world	about brothers and sisters	that is a mystery	that takes place in the fall	with a main character who is like you
after school	with a main character who is <i>not</i> like you	with a three-word title	that is set in the country	while wearing a blue shirt

Color in each reading challenge after you finish reading the book.
