Directions:

1. These are cause and effect cards for *A Bad Case of Stripes*. Read the cards.
2. Cut out the cause and effect cards.
3. Mix the cards up then place them face down in front of you.
4. Turn two cards over. If the cause and effect are a match, place them on your sorting mat. If they don't match flip them back over.
5. Play until you find all the matches.
6. Hint: The cards with a square are cause cards. The cards with a circle are effect cards.

Camilla got a bad case of stripes because

she stopped eating lima beans.

Camilla had to stay home from school because

her stripes were distracting to the other students.

Camilla grew a furry tail because

one of the specialists was a veterinarian who probably gave her an animal cure.

Camilla got better because

she ate lima beans.
