## Answer Key

## **Directions:**

On page 10 in the "School" box, the text explains that during Douglass's time, slaves were not allowed to attend school or learn to read because "an education would give a slave power."

Complete the circle map below by adding 5 details from the text or your own experience that demonstrate how education gives you power.

Douglass learned to read and write and was able to write 3 books about his life. Answers will vary.

Douglass was able to make famous anti-slavery speeches.

Education is Power!

Douglass was able to teach other slaves how to read and write.

Because of my education, I can grow up to be a teacher, a doctor, or anything I want!

Through education,
I can find answers
to almost any
question I have
about the world.
