

Name: _____

Date: _____

Directions:

1. These are cause and effect cards for *Snowflake Bentley*. Read the cards.
2. Cut out the cause and effect cards.
3. Mix the cards up then place them face down in front of you.
4. Turn two cards over. If the cause and effect are a match, place them on your sorting mat. If they don't match flip them back over.
5. Play until you find all the matches.
6. Hint: The cards with a square are cause cards. The cards with a circle are effect cards.

Willie Bentley felt happy on snowstorm days because

he loved snow more than anything else.

Bentley discovered that no two snowflakes are alike because

he studied them for years.

Bentley got a camera to photograph snow because

his parent saved their money and bought it for him.

Bentley never got rich because

he spent all of his money on his photographs.
