Directions:

1. These are cause and effect cards for *The Boy Who Harnessed the Wind*. Read the cards.
2. Cut out the cause and effect cards.
3. Mix the cards up then place them face down in front of you.
4. Turn two cards over. If the cause and effect are a match, place them on your sorting mat. If they don't match flip them back over.
5. Play until you find all the matches.
6. Hint: The cards with a square are cause cards. The cards with a circle are effect cards.

The people in Malawi were going to starve because

without rain, the food in their fields didn't grow.

William got the idea for electric wind because

he read books about science.

People thought William was crazy because

it looked like he was playing with trash.

William saved the people in his village because

his invention watered the land and caused food to grow.
