## The Missing Mitten Mystery

Cause and Effect

### Directions:

The first part of the sentences below tell what happened (the effect) in the book, *The Missing Mitten Mystery*. Complete each sentence by telling the cause.

Annie and her dog Oscar had to retrace their steps after she lost her red mitten.

Annie planted her other mitten in the garden because she hoped that when the snow melted, a tiny mitten tree might sprout in the garden.

Annie and Oscar went inside when it started to rain.

Annie was happy when she found her missing mitten on the snowman.

### Reading Tip!

Remember, the **cause** is **why** something happened. The **effect** is **what** happened.
